

WORLD AQUACULTURE 2011 SESSIONS															
Tue Jun 7 8:30 - 10:30	Opening & Plenary										Tue Jun 7 8:30 - 10:30				
11:30 - 12:30	VIII International Shrimp Farming		Freshwater Prawn GTCAD Working Group Workshop	Student Career Seminar	Finfish Nutrition and Feeding Strategies		Evolving to an Ecosystem Approach for Aquaculture		Seafood Technology Book Launch	Grouper, Eel, Bass & Other Marine Finfish	11:30 - 12:30				
14:00 - 17:30	Farmers Finfish	Recirculating Systems		Education, Extension, & Technology Transfer		Marine Shrimp Health			IAFI	Tuna and Yellowtails Other Freshwater Finfish	14:00 - 17:30				
17:30 - 19:00	Happy Hours and Posters										17:30 - 19:00				
19:00 - 21:00	Student Reception										19:00 - 21:00				
Wed Jun 8 8:30 - 10:30	VIII International Shrimp Farming	Aquaculture Engineering (AES Session)	Oyster Culture	Finfish Health	Continued Finfish Nutrition and Feeding Strategies	Marine Shrimp Genetics	Periphyton-based Aquaculture	Brazilian Indigenous Species	Advances in Aquafood Processing	Sea Ranching	Wed Jun 8 8:30 - 10:30				
11:00 - 12:30	Symposium FENACAM						Marine Shrimp Hatchery Management	Sustainable Aquaculture: General		Food Safety and Security	Open Ocean Aquaculture	11:00 - 12:30			
14:00 - 15:30	Farmers Finfish		Mussels, Pearl, Clams, Scallops and Queen Conch Culture		Cobia				R & D of Aquaculture in Brazil			Cage-Culture	14:00 - 15:30		
16:00 - 17:30							Microalgae: Bioenergy & Bioproducts						16:00 - 17:30		
17:30 - 19:00	Posters & Happy Hour										17:30 - 19:00				
Thu Jun 9 8:30 - 10:30	VIII International Shrimp Farming	Aquaculture Economics (IAEEM session)	Mollusc Reproduction, Nutrition and Growout	Finfish Physiology, Morphology and Reproduction	Feed Additives for Aquaculture	Freshwater Prawns - Macrobrachium	Measuring Sustainability	Fish Meal and Oil Replacements	Antimicrobials in Aquaculture Feeds	Scientific Publication in Aquaculture	Thu Jun 9 8:30 - 10:30				
11:00 - 12:00	Symposium FENACAM		Octopus Culture		Tilapia						Drugs and Therapeutants	Functional Genomics in Aquaculture	11:00 - 12:00		
13:30 - 15:00	Marine Shrimp							Achieving Social Responsibility	Alternative Feedstuffs and Aquafeeds			European Community	13:30 - 15:00		
15:30 - 17:30	Feed and Nutrition		Frog Culture				General Crustacean Culture	Aquaculture for the Rural Poor People					15:30 - 17:30		
19:30 - 22:00	Presidents' Reception										19:30 - 22:00				
Fri Jun 10 8:30 - 10:00	VIII International Shrimp Farming	Ornamentals	Mollusc Environ. Health Management	Finfish Genetics	FinFish Contributed	Bio-floc Systems	Best Management Practices and Waste Treatment	Aquaculture Policy and Regulations	Latin American & Caribbean Aquaculture		Fri Jun 10 8:30 - 10:00				
10:30 - 12:00	Symposium FENACAM		Mollusc Genetics and Biotechnology												10:30 - 12:00
13:30 - 15:00	Marine Shrimp						Finfish Larvae Management & Nutrition				Alternative Therapies	General Aquaculture Contributed			13:30 - 15:00
15:30 - 17:00	Feed and Nutrition continued														15:30 - 17:00
17:00 - 18:00	Closing Cocktail										17:00 - 18:00
